

Using PD 360 for a Drake Graduate or Recertification Credit Course

How do I access PD 360?

- **Step 1: Log in.** Go to <http://www.schoolimprovement.com/pd360>

- Enter your user name and password. Please contact your course facilitator to obtain your user name and password information.

- **Step 2: Access videos.**

There are two ways to access the videos. We recommend starting with Explore the Content (see below).

General note: When you hover your mouse over a video title or segment title, you will get a pop-up box that summarizes the video's content or gives you more information about the video segment.

A. Explore the Content (Right center of screen)

1. Click the program title to see a list of the segments.
2. Click Elementary/Secondary (if applicable)
3. Click the video segment title to view.

B. Explore Focus Objectives Set up by Facilitator (Left pane of screen)

- **Step 3: View video segment.**

- Once you click on the video segment title you want to view, the clip will appear in the center of screen.
- The control panel is located below the viewing screen.

Play

Pause

Stop

- Look under the viewing screen (right) to see the Time Viewing Segment and the Total Segment Length.
- You may also change the viewing size by clicking **Original**, **Expanded**, or **Full screen**.

- **More Tools**

- **Share-a-Link** (Lower right): Email a colleague who also has access to PD360.
- **PD 360 Facilitator Guide** (Lower right): View and/or print a professionally developed facilitator's guide for selected titles.
- **Learning More** (Upper right under My Account): This displays other resources available through the School Improvement Network web store.
